Dear Mr. Subbotin,

In response to your letter dated Nov 21 2017, #05CB-108406, we'd like to inform you that by speaking about ranking of web-sources, including websites of Russia Today and Sputnik, Dr. Eric Schmidt was referring to Google's ongoing efforts to improve search quality. We don't change our algorithm to re-rank individual websites.

We remain committed to our mission to organize the world's information and make it universally accessible.

Kind regards,

Dr Nicklas Berild Lundblad
VP, Public Policy & Government Relations EMEA
